

DIVERSITY, EQUITY & INCLUSIVITY (DEI) TRAINING

In the U.S. alone, the LGBTQ+ community represents \$917 billion in annual buying power. That makes inclusivity a win-win for both consumers and businesses.

With over 100 services focused on the health and wellbeing of the LGBTQ+ community, Metro Inclusive Health is expertly qualified to provide in-person or virtual inclusivity training to your business or organization.

INCLUSIVITY & AWARENESS TRAINING

- Develop a working understanding of the LGBTQ+ community including **terminology, identities and pronouns** usage
- **Identify best practices** used in welcoming and catering to the LGBTQ+ community within your industry
- Learn how to **create a safer, healthy, and welcoming environment** for all customers, guests and clients
- Inclusivity Town Hall Sessions create an opportunity to **ask important questions and develop solutions in real time**

TRANS-HEALTH INCLUSIVITY TRAINING

- **Increase awareness and create safe spaces** for all gender identities, expressions, and sexual orientations in healthcare settings
- **Equip healthcare providers with affirming and respectful language** to decrease clients' potential gender dysphoria
- **Build the confidence to provide quality healthcare** to patients of all gender identities, expressions, and sexual orientations

Virtual training offered via Zoom or your preferred online platform.

“Everyone that attends will walk away with a greater understanding of the LGBTQ+ community.”

— Evan Lacasse, PSCU

TRAINING FEE SCHEDULE

Trainings for groups of 80 or fewer attendees cost \$150-200 per hour, depending on the size of your organization. Larger groups can be accommodated — a fee of \$50 per hour will be added for additional participants in 25 person increments. All trainings are available via Zoom or your preferred online conferencing platform at no additional cost.

Each training comes with a certificate of completion and window decal.
